

# TENDER NOTES

An official publication of the Elvis Presley Memorial Foundation

## Message from the Director

Before we know it, SPRING will be upon us. It's hard to believe but March 20th is the first day of spring for 2018.

Flowers will be blooming, grass begins to green, and then, warm weather will show up. It's a great time to watch the floral growth symphony at Reflections.

March always brings Spring Holidays and families begin to travel. What better place to travel than our home state. Mississippi has lots of things to see – starting in Tupelo at THE ELVIS PRESLEY BIRTHPLACE, then the Gulf Coast, The Blues Music Trail, Natchez, Columbus, and Jackson and its new museums.

Now is the time to start planning for your spring trip. But, this year, stay at home in our beautiful state and enjoy what MISSISSIPPI has to offer, EVERYONE!

There is a new treasure in our Museum. A LITTLE RED TRUCK given to Rowland Tindall in 1948 by none other than "ELVIS." The Tindall family has donated it to us for display so all can see. Be sure to check it out when you come to see us.

We continue to bring new items into the gift shop. All kinds of gifts for your friends, family members, or coworkers. Whatever your needs are, we have the perfect gift. And, you can see many of our most popular items for purchase at [www.elvispresleybirthplace.com/gift-shop/](http://www.elvispresleybirthplace.com/gift-shop/). We are now offering annual passes to those who come to the Birthplace several times and bring friends or family members. Come by the ticket counter and check on these.

And finally, the picnic pavilion at the lake is now available for rental. Family reunions, church picnics, fun family gatherings – the pavilion is perfect.

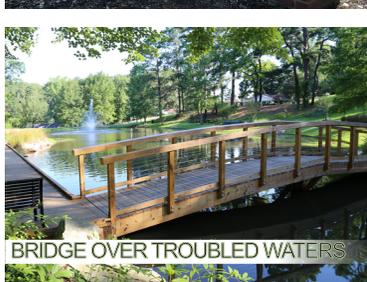

Thanks,

Dick Guyton  
Executive Director
